Who We Are

Spenowr is a social commerce platform built for the creative industry that empowers individual artists, institutes and businesses to showcase their portfolio, get deserved credit for creative artworks, collaborate with target audience and buy or sell through marketplace. We enable artists and art related entities, with features to showcase their portfolio and also committed to promote their talent as well as products & services throughout the world.

Spenowr's vision is to bring in all creative personas and art enthusiasts to one platform where we facilitate them to socialize and grow with name, fame & revenue.
